NOTE:

if the color is [dark gray], it's a extinction event

if the color is [blue], it's a popular event

if the word has contain *, it's a event has a Unofficial death toll

mixes:

"if the color is [dark gray], it's a extinction event" and mixed with "if the word has contain *, it's a event has a Unofficial death toll" it results to "Extinction event with

unofficial death tolls"

"if the color is [blue], it's a popular event" mixed with "if the word has contain *, it's a event has a Unofficial death toll" means Popular incident with Unofficial deaths

LEGEND:

> = greater or more than

< = less than

+ = plus (e.g. 10+ died means 11 or 12 or 10)

Incidents that occured:

Cretaceous–Paleogene extinction event / Chixculub impact (65,002,026 BP): 75% of Species on earth (approx)*
